From Chester, you will need to take the M53 towards Ellesmere Port, and come off at Junction 10 - signposted Cheshire Oaks and Designer Outlet.

From here you will follow signs for Ellesmere Port town centre, and you will go past the retail outlet and Sainsburys on your right.

Keep heading straight towards the town centre - you will go straight on at a roundabout and will now be on Stanney Lane.

On your left will be the David Lloyd gym and a little further down on the left you will go past Cheshire Oaks High Schools.

Continue for about a mile and there will be Whitby Park on your left and The Grace pub on your right. Go straight through the traffic lights and turn left into Whitby Park.

As you turn into the park you will see a large car park on your left and a children's play area on your right. Ahead of you, you will see a tree lined drive.

To reach Whitby Hall, follow this road, after 200 yards, take the left fork which will bring you to a smaller car park and Whitby Hall will be in front of you.

Walk up the ramp towards the red double doors and press the buzzer on the silver box to the right of the doors.

**We look forward to seeing you!**
